Heaven must be missing an angel
Missing an angel
Child
'Cause you're here with me right now
Your love is heavenly
baby
Heavenly to me baby.
Your kiss filled with tenderness
I want all I can't get of your sexiness
Showers
your love comes in showers
And ev'ry hour on the hour
You let me feel your lovin' power.
There's a rainbow over my shoulder
When you come
my cup runs over.
You gave me your heavenly love
If one night you hear cryin' from above it's 'cause:
Heaven must be missing an angel
...
Ooh heaven
ooh heaven
ooh heaven
ooh heaven.

I'm captured by your spell
You're different girl
I can tell
When you're layin' on my pillow
baby
Above your pretty head
there's a halo

That's why I know.

Heaven must be missing an angel
...

My sweet little angel my pretty little angel
my love
your love

your love
your love
She's right . . .
