Taxe: I'm going downwords & music by M. Terporten

verse1

I was dancing on the roof
Just cryin' out your name
Cause you left the day before
Only the clouds are left to blame
Could you tell me just one thing baby
I'm all alone and in a flame

chorus

I'm going down down down
I'm getting closer to the ground(down down down)
Don't feel like the boy you found(down down down)
C'mon get me up again

verse2

Hey, but I'm still alive
And inside I know I'm strong
I wish that I could look inside
To find out just what went wrong
Now your eyes make me laugh
They make me feel to sing this song

chorus

solo

bridge

Alright so you sit alone waiting on the table
Do you think I'm comin' back
You come to me to say you're sorry
But baby you have let me down
Now there's no turnin' back

chorus 2x
