"Get Money"

Chorus [Repeat 2x]:

Iâ€™m just gon work, Iâ€™m just gon get paid/
Iâ€™m just gon get paid, Iâ€™mma get the work

1st Verse:

Ok my flow so winter-breeze, with the power to make
water freeze/
Fire spark, come to lightâ€¦canâ€™t put it out in the
dark

Itâ€™s already here, little fella yaâ€™ heart full of
fear/
Never rocked dadaâ€™s but we some dons, no fugaze
here

Me and the squad down to brawl, if they wanna debate
in here/
Hataâ€™s always gon come, no matter early or they
late in here

They losinâ€™, no confusionâ€¦alot of swellinâ€™
come with bruisinâ€™/
Holâ€™ up, let me make it clearâ€¦give yoâ€™ a** a
contusion

Come for me or my family, havenâ€™t earned a single
grammy/
But iâ€™m first place without the prize, me and you are
not the same size

No steps took back, cuzâ€™ we striveâ€¦no one will
ever deprive/
Have a fifty for every bumble in a mothaf*ckin bee-
hive!

Chorus [Repeat 4x]:

Iâ€™m just gon work, Iâ€™m just gon get paid/
Iâ€™m just gon get paid, Iâ€™mma get the work

(work)

2nd Verse:

Late nights I stayed up, always remembered to get my weight up/
Ya' body is the temple…and life is not that simple

Stay in control of ya' mental, watch what you say out ya' dental/
Hi my name is tae money (who)…plenty cheese, no pinto

You winnin' right now? Ok, but I got dem' cheat codes/
I'm takin' that, de-bo…playin' foul, free throws!

One after one, til' I can't even reload/
My left shoe be the craps and the right one named cee-lo (two three)

Reachin' for the stars, not lookin' down below/
Be damned if my currency sink back down to zero

Grew up when I stopped believing in super-action heroes/
(Pow Pow) eat those! (Blick Block) keep those!

You lookin' real fresh…in those dirty kicks, cheap clothes/
Better get on ya' grind or find yaself a pink-toe

Think dough…get bread, stack guap til' it stretch ya' denim threads/
JCDUZIT killt' the beat…don't call the feds, just nod ya' heads!

Chorus [Repeat 4x]:

I'm just gon work, I'm just gon get paid/
I'm just gon get paid, I'mma get the work (work)
