Oh. Oh. Oh.

Shut up (babe)

I am too tired to go on

I need to keep pulling through

It hurts (baby)

So leave me now

I'll be better off

When I'm lifeless

Lifeless me. Pitiful me. I need you...badly.

I pulled the plug. Yes I did.

I needed to get out of the pit

You put me in. (babe)

Lifeless me. Pitiful me. I need you...badly.

Lifeless me. Pitiful me. I need you...badly.

Yes I do..need you.
