C'mon Jericho,  
You know I gotya, yeah  
Break the walls down  
Break down the walls  
For those about to rock  
What you want?  
Baby you know you're Judas  
And I'm your priest,  
Baby what I've got is not from the least.  
Bring it from the stage in the rage of the beast,  
Step into you're arena and  
Break the walls down  
Step into you're arena and  
Break the walls down

Awaken from a deep sleep,  
You're all weak,  
You're livin' in the agony of defeat,  
I am the cat that haunt your whole week,  
And I am the cat that flocked you like sheep,  
Step into the jail and break the walls down  
You're heartbeat is the only sound.  
Step into the light and then you'll know  
You were stopped and dropped by the walls of Jericho

What you gonna do, Jericho, coming down, you feel me  
now?  
Hun? Break the walls down, Jericho  
For there was a patch of Rock  
Set the trap,  
For there was a chance to jump,  
I won't go  
For there was the best cure,  
Watch me slow  
Break Down the walls of Jericho...
