3..2..1...Rrrrr..Here we go again
Right now, let's go
Me and you, toe to toe
So we can Rock, we can roll
Here we go again
Right now, let's go
Me and you, toe to toe
So we can Rock, we can roll

You say it's one for the trouble, two for the time
One for the trouble, two for the time
One for the trouble, two for the time
Come on ya'll, let's rock

Now I'm gonna, fill up my lungs with some butane
Turn the mic into a flame, Damn that shit's hot!
Super heavy, built like a Chevy
And I ain't really mad at the hey hey
Round two, you ready for a break
You keep on talkin', I'ma break you off something like
this
Full throttle, better be prepared
Commin' with the kick and the snare
Apocalypse now, who's talkin' shit now
Gimmie the countdown

3..2..1...Rrrrr...Here we go again
Right now, let's go
Me and you, toe to toe
So we can Rock, we can roll
Here we go again
Right now, let's go
Me and you, toe to toe
So we can Rock, we can roll

I wanna tell you, tell you to your face right now
Not really sure that, Not really sure I know how
Gonna try, Gonna try
Give you a piece of my mind
Gonna try, Gonna try
And I hope you don't mind
I'm a crack addict, that's right, I'm a crack addict

You heard me, I'm a crack addict
I'm addicted to crackin' skulls when punks start static
It's time to panic
I'm addicted to crackin' skulls when punks start static
(it's time)
It's time to panic
(it's time)
I'm addicted to crackin' skulls when punks..start...static

Here we go again
Right now, let's go
Me and you, toe to toe
So we can Rock, we can roll
Here we go again
Right now, let's go
Me and you, toe to toe
So we can Rock, we can roll
