Whisper:

(step up 'cause you're the next one in line for the kill
you don't believe it but i'm betting that you will
stand up i'll bet you're living in the fear of the pain
that i bring you know it's only the beginning)

STEP UP!

'Cause you're the next one in line for the kill
You don't believe it
But I'm betting that you will

STAND UP!

I'll bet you're living in the fear of the pain
That I bring
You know it's only the beginning!

Step up

'Cause you're the next one in line for the kill
You don't believe it
But I'm betting that you will

Stand up

I'll bet you're living in the fear of the pain
That I bring
You know it's only the beginning!

I'm breaking the living inside you
Start begging someone to hide you
I'm breaking the living inside you
Start begging someone to hide you
I'm breaking the living inside you
Start begging someone to hide you
I'm breaking the living inside you

Don't run away
Bring it on
Straight to me!
