MAKE SOME NOISE!!! X-PAC!  
Think you can tell us what to do?  
Think you can tell us what to wear?  
you think you better? (Yeaaaaah)  
Well you better get ready to bow to the master

SSSUCK IT!!!  
Degenerate into something fool  
I just got tired, of doin' what you told me to do  
But that's the breaks boy (Yeaaaaah)  
That's the breaks little man

Tell it  
X-Pac, puttin' more minds to a stop  
Speak my mind,  
I keep it rockin' the bottom line

Suck it!  
Two tears in a bucket  
And then another thing  
I'm not the one they'll try their luck with  
Hit hard like brass knuckles  
See your face through the turnbuckle dude  
I got no love for you

MAKE SOME NOISE!!!

Degeneration X  
Who's gonna kick you're ass?  
Degeneration X  
Make some noise!!! (Chorus x2)

Feel good, destroy you and your boys  
Mother mother make some noise  
That's even if you're paranoid

Blind still  
Things fly  
Keep it rockin'  
Tell someone how it feels  
And then you'll know the deal  
One of the illest that never half-stepped

I demolish opponents and knock out the ref  
X-Pac

I'm gonna kick your ass

X-Pac

What I wanna be  
That's what I wanna be  
To be someone else  
Put it away  
Put it away like a book on a shelf that you can't read

(Chorus)
