You Think You Know Me

On this day
I see clearly
Everything has come to life
A bitter place and a broken dream
And we'll leave it all
Leave it all behind

On this day
Everything has come to life
Another chance to chase a dream
Another chance to feel
Chance to feel alive

I'll never long for what might have been
Regret won't waste my life again
I won't look back I'll fight to remain

On this day
I see clearly
Everything has come to life
A bitter place and a broken dream
And we'll leave it all behind
On this day
It's so real to me
Everything has come to life
Another chance to chase a dream
Another chance to feel
Chance to feel alive

Fear will kill me, all i could be
Lift these sorrows, let me breathe
Could you set me free!
Could you set me free!

On this day
I see clearly
Everything has come to life
Bitter place
And a broken dream

And we'll leave it all behind
On this day
It's so real to me
Everything has come to life
Now the chance to chase a dream
Now the chance to feel
Chance to feel alive
