"Theres nothing you can say  
Nothing you can do  
Theres nothing in between  
You know the truth

Nothing left to face  
Theres nothing left to lose  
Nothing takes your place

When they say  
Youre not that strong  
Youre not that weak  
It's not your fault  
And when you climb up to your hill  
Up to your place  
I hope you are well

Theres nothing left to prove  
There's nothing I wonat do  
Theres nothing like the pain  
I feel for you

Nothing left to hide  
Nothing left to feel  
I am always here

When they say  
Youre not that strong  
Youre not that weak  
It's not your fault  
And when you climb up to your hill  
Up to your place  
I hope you are well

What you want  
What you lost  
What you had  
What is gone is over

What you got  
What you love  
What you need

What you have is real

It's not enough  
Its not enough  
Its not enough  
Its not enough, I'm sorry

Its not enough  
Its not enough  
Its not enough  
Its not enough...

When they say  
Youre not that strong  
Youre not that weak  
It's not your fault  
And when you climb up to your hill  
Up to your place  
I hope you are well

Its not enough  
No  
Its not enough  
Its not enough
