Here comes the Ax
Here comes the Smasher
The Demolition, Walking disaster
Pain and destruction are our middle names

Search and destroy you
Run and we'll find you
There's no place to hide
The Demos will get you
Pain and destruction, are our middle names

The Demolition
You better state your act of contrition

(Guitar break)

The Demolition
You better state your act of contrition

Here comes the Ax
And here comes the Smasher
The Demolition
Walking disaster

Search and destroy you
Run and we'll find you
There's no place to hide
The Demos wil get you!!

Demolition, Demolition (repeat a few times till fades)
