When it comes crashin' down and it hurts inside,  
You've gotta take a stand- it don't help to hide.  
If you hurt my friends then you hurt my pride.  
I gotta be a man - I can't let it slide.

I am a real American,  
Fight for the rights of every man.  
I am a real American,  
Fight for what's right - fight for your life!

Well I feel stronger 'bout right and wrong  
And I don't take trouble for very long.  
I've got something deep inside of me,  
courage is the thing that keeps us free!

I am a real American,  
Fight for the rights of every man.  
I am a real American,  
Fight for what's right - fight for your life!

I am a real American,  
Fight for the rights of every man.  
I am a real American,  
Fight for what's right - fight for your life!

If you hurt my friends then you hurt my pride.  
I gotta be a man - I can't let it slide.

I am a real American,  
Fight for the rights of every man.  
I am a real American,  
Fight for what's right - fight for your life!

(repeat until fade out)
