TIME TO PLAY THE GAME....

It's all about the game, and how you play it
All about control, and if you can take it
All about your debt, and if you can pay it
It's all about the pain, and who's gonna make it

I am the game, you dont wanna play me
I am control, no way you can shake me
I am heavy debts no way you can pay me
I am the pain and I know you can't take me

Look over your shoulder, ready to run
Like a good little bitch from a smoking gun
I am the game and I make the rules
So move on out here and die like a fool

Trying to figure out what my move's gonna be
Come on over sucker why dont u ask me
Dont you forget theres a price you can pay
Cuz I am the game and I want to play

{Guitar solo}

Time to play the game
Hahahahaha

Time to play the game

It's all about the game, and how you play it
It's all about control, and if you can take it
It's all about your debt, and if you can pay it
It's all about the pain, and who's gonna make it

I am the game, you dont wanna play me
I am control, there's no way you can shake me
I am your debts, and you know you can't pay me
I am your pain and I know you can't take me

To play the game you're gonna be the same
You're gonna change your name you're gonna die in
flames

Hahahahaha

Time to play the game

Time to play the game

Time to play the game

Time to play the game

Hahahahaha

Time to play the game!

Hahahahaha
