Think you can tell us what to do?  
Think you can tell us what to wear? (ha ha ha)  
Think you're better?  
Well you better get ready, bow to the masters

SSSSSSSSSSuck it

Degenerate into something fool  
I just got tired, of doin' what you told me to do  
But that's the breaks boy (Yeahhhh)  
That's the breaks little man

Tell it  
X-Pac, puttin' more minds to a stop  
Speak my mind,  
I keep it rockin' the bottom line  
Suck it  
Two tears in a bucket  
And then another thing  
I'm not the one they'll try their luck with  
Hit hard like brass knuckles  
See your face through the turnbuckle dude  
I got no love for you

Make some noise!

Degeneration X  
Who's gonna kick your ass?  
Degeneration X  
Make some noise!  
Degeneration X  
Who's gonna kick your ass?  
Degeneration X  
I'll tell ya

Feel good, destroy you and your boys  
Mother mother make some noise  
That's even if you're paranoid  
Blind still  
Things fly  
Keep it rockin'  
Tell someone how it feels

And then you'll know the deal  
One of the illest that never half-stepped  
I demolish opponents and knock out the ref  
X-Pac

I'm gonna kick your ass

X-Pac

What I wanna be  
That's what I wanna be  
To be someone else  
Put it away  
Put it away like a book on a shelf that you can't read  
(yeah)  
You can't read boy

Degeneration X  
Who's gonna kick your ass?  
Degeneration X  
Who's gonna kick your ass?  
Degeneration X  
Who's gonna kick your ass?  
Degeneration X

I tell ya
