Wylie Gustafson (Two Medicine Music) BMI

He's a leather lover
A rawhide man
Throws a fifty foot houlihan
Wears a flat brim hat
And a mule skin wrap
Ain't like no other
He's a leather lover

He's a leather lover
One cool cowhand
Rolls a Johnny Blocher
With a flick of a hand
He's a brush popper
Rides a frog walker
El coyotes's brother
He's a leather lover
He's got squinty eyes
Suntanned cheeks
Rides a rough out Wade
With a bucket seat
Hitched horse hair
Around his waist
He's a shadow ridin' fool
Stay out of his way

He's a leather lover
A rawhide man
Ain't like no other
He's a leather lover
