Wylie Gustafson (Two Medicine Music) BMI

Manolito el caballo bonito, born to carry the saddle  
Manolito el caballo bonito, el gato at cuttin' the cattle  
Barely stands 14 hands, but he sabe the business  
bueno  
Manolito el caballo bonito, watch him dance to and fro

Manolito el caballo bonito, born on el llano de Canada  
Manolito el caballo bonito, the pride of el caballada  
When put to the test he'll give you his best, mi amigo  
mi muchacho  
Manolito el caballo bonito, watch him dance to and fro

Manolito el caballo bonito, el nieto of the great  
Travalena  
Manolito el caballo bonito, as quick as the wild javelina  
With his tail in the sand, he's in command, he sabe the  
business bueno  
Manolito el caballo bonito, watch him dance to and fro
