Faded dreams and buried schemes  
they never worried me  
promises lost and secrets tossed  
they have no remedy  
yeah, you can lay your head  
down in the ground  
or move on with me yeah  
photographs fade easily  
they need to be locked away  
I don't ask much of anything  
but conspiracy  
conspiracy of the heart  
of the heart  
well we made mistakes before  
and I know that we'll make them all again  
I can take all that along the way  
'cause I know that from here and out  
that you will always be my friend  
well it's yesterday, today, and tomorrow  
another bend in the road  
photographs fade easily  
they need to be locked away  
I don't ask much of anything  
but conspiracy  
conspiracy of the heart  
of the heart  
and there's so many things that try to pull us apart  
and there's so many things to deny  
it's harder everyday to find the love in our hearts  
it's not easy but I'll try  
photographs fade easily  
they need to be locked away  
I don't ask much of anything  
but conspiracy  
conspiracy of the heart  
of the heart  
photographs fade easily...  
fade away
