A PRAYER FOR JANE

~~~~~

Written: Steve Kipner, John L Parker

VERSE 1:

With her headphones on she disappears

Into a world of no restrictions

Alone in her room in her parent's house

Waiting for love to recognise her

Her mother is downstairs miles away

Pouring a drink to tolerate

She thinks to herself my baby's just like me

Please don't let her make the same mistakes

CHORUS:

If you love me say a prayer for Jane

She's a spirit of a young girl's heart

Light a candle in the pouring rain

When you feel the pain

Say a prayer for Jane

VERSE 2:

2 am as pre-arranged

She sneaks down the hall and out the door

Running away in her boyfriend's car  
The moment they've been waiting for  
Free as the wind blowing in her hair  
Driving as fast as the love could go  
Out of control on a dead man's curve  
The phone rings and her mother answers  
NO NO NO NO NOT MY BABY NO

CHORUS:

BRIDGE:

She left a message on the bathroom mirror  
Lipstick on the mirror said  
"Mummy I love you but ...  
You've just got to let me go  
Can we talk about it tomorrow"

CHORUS: (not last line) x 2

Remember Jane
