CHANCES

~~~~~

Written: Jo Beth Taylor, Jamie Jardine

VERSE 1:

Staring out my window

Watching children in the street

Innocence in their own world

They don't stop to take a look at me

Still I wonder as they grow old

Will they question what we do

There will be no problems

They're gonna have to find solutions too

CHORUS:

Life's like a river flowing

I don't believe in chances just in me

VERSE 2:

The road that leads us

Gives us our experience

And we'll all find our own way

Success depends on where attention is

Looking back on my own life

At all the possibilities

But I won't ever regret

What was never really meant to me

CHORUS:

GUITAR SOLO:

BRIDGE:

Maybe I'm just a dreamer searching

I'm out in the open, it's too hard to see

And

CHORUS: (repeat & fade
