HAVE THINGS CHANGED performed by JoBeth Taylor,
written by Deborah Gibson

Verse 1:

I'm supposed to be in love

I'm supposed to be, indeed, yeah

But I'm up another night

Hopin' everything's alright

And I just can't go to sleep

Verse 2:

I just had some words with you

They were nice, they were few again

Times like these when I'm in doubt

Do I know what love's about

Or am I just another fool?

Chorus:

I want to run back to your arms

And pick up where we left off

I'm keeping all my promises

Cause if I ever lost you

I seem so secure

But I'm so unsure

Have things changed?

Verse 3:

I believe that you still love me

I believe that you still care, yeah

But to others half the chance

Are you in need of romance

Without me there?

Verse 4:

Have your feet hit the ground

Do you realize how precious is the love we found?

Do you know I cry all night

Wishing I could hold you tight

When you're not around?

CHORUS

I think they have...

Bridge:

Cause I feel jealous of the people

Who spend time with you

And I'm wondering

If they really care like I do

Well, I hope I'm not

Just your security blanket

Because I really care wooah oh oh oh

Well, I may seem so secure

But I'm so unsure

Have things changed?

Seem so secure

But I'm so unsure

Have things changed
