Sometimes I feel
Nothing is real
That I'm not real
That I can feel

Sometimes I feel
Nothing is real
That I'm not real
That I can feel

Ah oh

Could it be
I'm a machine
You're a machine
We're all machines

Could it be
I'm a machine
You're a machine
We're all machines

Ah oh

Feel like I'm nothing
Feel like I'm nothing
Feel like I'm nothing
With the autopilot on

Feel like I'm nothing
Feel like I'm nothing
Feel like I'm nothing
With the autopilot on

I'm a playin
I'm a playin
I'm a playin
I'm a play (repeat verse 2 times)
I'm a play x 16

Ah oh

Such a happy feeling
Such a happy feeling
Such a happy feeling
Such a happy feeling

Am I a liar
Am I alive
Am I a liar
Am I alive
Am I a liar

I'm a playin
I'm a playin
I'm a playin
I'm a play (repeat verse 4 times)
I'm a play x 6

I'm a playin
I'm a playin
I'm a playin
I'm a play (repeat verse 3 times)
I'm a play x 8

Ah oh

Sometimes I feel
Nothing is real
That I'm not real
That I can feel

Sometimes I feel
Nothing is real
That I'm not real
That I can feel

Could it be
I'm a machine
You're a machine
We're all machines

Could it be
I'm a machine
You're a machine
We're all machines

Ah oh

Feel like a nothing
Feel like a nothing

With the autopilot on

Feel like a nothing
Feel like a nothing
With the autopilot on

I'm a playin
