Intro

Oh, oh I, oh I

Oh, oh I, oh I

Verse 1

When you're alone what you do is what you do

I'm not scared to say

When you're alone don't you ever get confused

Ain't nothing wrong with making it feel good baby

Chorus 1

I won't be afraid to touch myself

It's all right

I said it's all right

I don't think it's wrong to touch yourself

Ain't nothing wrong with making it feel good

Chorus 2-

Every night I get away

And I think about it baby

You are on my mind

I ain't afraid to touch myself

I don't need nobody else

It's you baby, it's you baby

Verse 2

When you're alone what you need is what you need

One time ecstasy

People say it's not the thing to do

But that's the safest way to making it feel good

Hey I

Chorus 1

Chorus 2

Chorus 2

Outro

Baby, hey oh

Oh, oh I, oh I  
I don't need nobody baby
