A flower needs the earth to make it grow
A river needs the rains to make it flow
A clinging vine needs something to cling to
But I have all I need cause I have you

Before we met my life was one sad song
But you changed all that the day you came along
For a true love song needs inspiration too
And I have all I need cause I have you
[steel]
Arms need more than arms to hold on to
And lips need other lips to make dreams come true
Two hearts in love will always beat in two
And our hearts beat as one since I have you
Before we met...
