DONNA ON MY MIND

(Billy Barton)

© '69 Rumbarelo Music

Donna on my mind when I get up in the morning  
Donna on my mind the whole day through  
Love can't come so quick and real without any warning  
Wonder if she's thinking of me too  
Once I thought that no one girl could ever hold me  
Even though this thing called love was just fantasy  
Now I won't be satisfied until she's mine  
Till then I'll just have Donna on my mind  
Once I thought that no one girl could ever hold me...
