LOVIN' UP A STORM

Writer Luther Dixon

When our kisses fly like oak leaves  
Caught in a gust of wind  
My heart beats fast, a clickty-clack  
Like a train goin' round a bend  
I call that Lovin' Up a Storm!  
I said that's Lovin Up a Storm!  
Well its good for you honey  
It won't do you no harm  
Ah when a we get with it darlin'  
All I can hear is a sigh  
Something touches you deep in your heart  
Like it's lightin' from the sky  
I call that Lovin' Up a Storm!  
Whoaa Lovin Up a Storm!  
Well its good for you baby  
It won't do you no harm  
Ohhhhh!  
When we're embracing darlin'  
I get wild as a hurricane  
Ah when we kiss Great Balls of Fire!  
Ice-water's running through my veins  
I call that Lovin' Up a Storm!  
Ohhh Lovin Up a Storm!  
Well its good for you baby  
It won't do you no harm  
Well its good for you baby  
It won't do you no harm  
Oh... It's good for you baby  
It won't do you no harm
