Sing me a song of sadness and sing it as blue as I feel  
If a tear should appear it's because she's not heres  
So sing a sad song and sing it for me

She's unhappy with me she told me so  
I'm unhappy without her and I still love her so  
So just sing me a song of sadness pretend it's the end  
of the world

Sing it sweet and sing it low and then I'll have to go  
Sing a sad song and sing it for me

[ steel ]

Oh sing it sweet and sing it low and then I'll I'll have to  
go

So sing a sad song and sing it for me
