WE'LL NEVER LOVE AGAIN

Writer Harlan Howard

Oh the nights I've cried, how I'd die inside  
Knowing we'll never love again, love again  
One mistake I've made, what a price I've paid  
Knowing we'll never love again  
Passion ruled my mind, made my conscience blind  
And a million times, I've paid for my sins  
Darlin please forgive, I don't want to live  
Knowing we'll never love again  
I still hear you say, as you walked away  
Knowing we'll never love again, love again  
I was such a fool, broke love's golden rule  
Now you say, we'll never love again
