Friday finally came around
This girl's ready to paint the town
Tonight, ain't nothin' gonna slow me down

I did my time workin' all week
Tonight's all mine, tomorrow I'll sleep
I wanna hear a band with a country sound

Well, I've been couped up all week long
And I've been workin' my fingers to the bone

Well, it's a girl's night out, that's right
Honey, there ain't no doubt
I'm gonna dance every dance 'til the boys go home

Well, it's my night to rock
No watchin' that ol' clock
Ain't no doubt, Lordy, it's a girl's night out

Well, Two step or the Cotton Eye Joe
They can play 'em fast or they can play 'em slow
I can do 'em all just show me the floor

You can give me a little rock 'n roll
Or even a waltz with the lights down low
I'll still be dancin' when they close the door

I've been couped up all week long
And I've been workin' my fingers to the bone

Well, it's a girl's night out
Honey, there ain't no doubt
I'm gonna dance every dance 'til the boys go home

Well, it's my night to rock
No watchin' that ol' clock
Ain't no doubt, Lordy it's a girl's night out

Well, it's a girl's night out
Honey, there ain't no doubt
I'm gonna dance every dance 'til the boys go home

Well, it's my night to rock
No watchin' that ol' clock
Ain't no doubt, Lordy it's a girl's night out
