I wish a buck was still silver, it was back when the  
country was strong  
Back before Elvis, before the Vietnam War came along  
Before The Beatles and 'Yesterday' a man could still  
work and still would  
Is the best of the free life behind us now?  
Are the good times really over for good?

Are we rolling downhill like a snowball headed for hell?  
With no kind of chance for the flag or the Liberty Bell  
Wish a Ford and a Chevy could still last ten years like  
they should  
Is the best of the free life behind us now?  
Are the good times really over for good?

I wish coke was still cola and a joint was a bad place to  
be  
Back before Nixon lied to us all on TV  
Before microwave ovens when a girl could still cook  
and still would  
Is the best of the free life behind us now?  
Are the good times really over for good?

Are we rolling downhill like a snowball headed for hell?  
With no kind of chance for the flag or the Liberty Bell  
Wish a Ford and a Chevy could still last ten years like  
they should  
Is the best of the free life behind us now?  
Are the good times really over for good?

So stop rolling downhill like a snowball headed for hell  
Let's stand up for the flag and let's all ring the Liberty  
Bell, amen  
We're makin' Fords and Chevy's to last ten years like  
they should  
The best of the free life is still yet to come  
The good times ain't over for good
