If I could reach the stars, I'd pull one down for you
Shine it on my heart, so you could see the truth
That this love inside is everything it seems
But for now I find, it's only in my dreams

That I can change the world
I would be the sunlight in your universe
You would think my love was really somethin' good
Baby, if I could change the world

If I could be a queen, even for a day
I'd take you as my king, I'd have it no other way
And our love would rule in this kingdom that we had
made
'Til then I'll be a fool, wishin' for the day

That I can change the world
I would be the sunlight in your universe
And you would think my love was really somethin' good
Baby, if I could change the world
If I could change the world, change the world

I could change the world
I would be the sunlight in your universe
And you would think my love was really somethin' good
Baby, if I could change the world
Baby, if I could change the world
