Well, you go where you want to  
Go out on the town  
Expect to keep me waitin'  
With that law you're layin' down

That ain't right  
Tonight I'm breaking free, yes, I am  
Ain't gonna work no more  
Don't you throw that mojo on me

You got some magic  
I'll give you that  
It just ain't workin'  
I ain't going back

No more  
Under your lock and your key  
I know that look  
Don't you throw that mojo on me

You ain't gonna be my hangman  
I ain't gonna wear no noose  
Well, I got somethin' here now, baby  
I'll be turnin' loose

You ain't the only one  
I've got some tricks up my sleeve, yes, indeed  
It might come back to haunt you  
Don't you throw that mojo on me  
It might come back to haunt me  
Don't you throw that mojo on me
