Two smilin' faces  
That's how it used to be  
What once was forever  
Is now a faded memory

The perfect illusion  
For a while I guess it was  
Without explanation  
The bloom fell off the rose

Heaven help my heart  
'Cause it's a lot like me  
I'm wonderin' when this all will end  
And I'll find the love I need

I know it's out there somewhere  
Somehow I still believe  
I'm asking please  
Heaven help my heart

This world can get crazy  
These are troubled times  
I'd walk through the fire  
If love is what I'd find

It's out of my hands now  
So I put my faith in you  
And I say a little prayer  
And hope that it comes true

Heaven help my heart  
'Cause it's a lot like me  
I'm wonderin' when this all will end  
And I'll find the love I need

I know it's out there somewhere  
Somehow I still believe  
I'm asking please  
Heaven help my heart
