"I'm So Lonesome I Could Cry"

Hear the lonesome whiperwill
He sounds too blue to fly
The midnight train is whinning low
I'm so lonesome I could cry

I've never seen a night so long
When time goes crawling by
The moon just went behind a cloud
To hide its face and cry
Did you ever see a robin weep
When leaves begin to die
That means hes lost the will to live
I'm so lonesome i could cry

The silence of a falling star
Lights up a purple sky
And as i wonder where you are
I'm so lonesome I could cry
