BRIDGE; Come out-reach out Help someone under  
clouds over cast That's what life's about Iron butteries  
can't fly Oh, IRON BUTTERFLY, IRON BUTTERFLY VERSE;  
The shadow is as important As the light There's  
something we learn in both Oh, cast the showdows  
From your saddened eyes Iron butterflies can't fly Oh,  
yea IRON BUTTERFLY CHORUS; Polish away rusty  
composition Polluted metallic can't have-can not Oh,  
smile away poisoned thoughts IRON BUTTERFLY Iron  
butteries can't fly VERSE; The shadow has definate  
purpose For understanding The simple lesson of trust  
Oh, dark shadows Never, never last long It's time to be  
tough IRON BUTTERFLY IRON BUTTERFLY BRIDGE;  
Repeat CHORUS; Repeat VERSE; It's universal in  
thought Light and dark Ther's lessons in both When we  
ask for help Through God's transition We learn to fly
