I'd gladly walk across the desert
with no shoes upon my feet
To share with you the last bite
of bread I had to eat
I would swim out to save you
In your sea of broken dreams
When all your hopes are sinking
Let me show you what love means
Love can build a bridge
Between your heart and mine
Love can build a bridge
Don't you think it's time
I would whisper love so loudly
Every heart would understand
That love and only love
Can join the tribes of man
I would give my heart's desires
So that you might see
The first step is to realize
That it all begins with you and me
When we stand together

It's our finest hour

We can do anything, anything

If we keep believing in the power

Love can build a bridge

Between your heat and mine

Love can build a bridge

Don't you think it's time

Don't you think it's time
