There is no king when love is the thing, play the same
rules

In a heartbeat a wise man can be a fool

There's no guarantee that love will be a stranger or a
friend

Prayer that's answered or a heartache that never ends

Through the darkest hours when all is said and done
It has the power, you go from lonely to the lucky one

Love's funny that way no matter who you are

Well, it can shake your faith or it can break your heart

Once in a while all the mountains move, we all long for
those days

You live, you laugh, you say love's funny that way

Not long ago, I got to know the lonely side

Just me and my pain and nowhere to hide

It amazes me how my world turned around

If it's meant to be, that's all that matters to me anyhow

Love's funny that way no matter who you are

Well, it can shake your faith or it can break your heart

Once in a while all the mountains move, we all long for
those days

You live, you laugh, you say love's funny that way

So when you don't understand best, you leave it in

love's hands

Just live, laugh and say love's funny that way

Ooh yeah, [Incomprehensible]

Ain't it funny, ain't it funny that way?

Ooh yeah, [Incomprehensible]

Ain't it funny, ain't it funny that way?

Ooh yeah, [Incomprehensible]

Ain't it funny, ain't it funny that way?

...
