End of the night and my money's spent  
Gotta hock my clothes to pay my rent  
It's a roll of the dice and it's the same ole game  
Those crazy snakes done bit me once again

Now I wanna tell you  
It's been a long road and a difficult time  
My life's been so blue  
But I ain't giving up  
And I'm ready now to try, try, try

(chorus)

I've seen the time when you could not stop the rain  
When nothing changes and every day stays the same  
Those bitter grapes have now turned to the sweetest  
wine  
I'm ready for the sun to shine, a new day is dawning  
When it gets too tough, comes to push and shove  
I swear it was you baby who invented love  
It's the same ole rhythm, it's the same ole rhyme  
It's the same ole stuff that gets me every time

Now I wanna tell you  
It's been a long road and a difficult time  
My life without you  
Ain't been easy babe  
But I'm ready now to fly, fly, fly

(repeat chorus twice)

Get ready, get ready  
Everybody get ready
