Road blocks, red lights  
Dang brakes, that's life  
People say what they want  
I don't care, it's just talk

Go, let's start this show

I ain't gonna let 'em hurt me now  
They ain't gonna break me down  
I ain't gonna let 'em kick me around  
No one's gonna take my crown  
Hey, nothin's gonna break me down

Well, I got my back against the wall  
Cities rise, cities fall  
Reckless ride, wild abandon  
I'll be the one left standin'

No, you can't roll this stone

I ain't gonna let 'em hurt me now  
They ain't gonna break me down  
I ain't gonna let 'em kick me around  
No one's gonna take my crown  
Hey, nothin's gonna break me down, no

I might trip up and I might stumble  
But you won't ever see me crumble, oh, oh

I ain't gonna let 'em hurt me now  
They ain't gonna break me down  
I ain't gonna let 'em kick me around  
No one's gonna take my crown

I ain't gonna let 'em hurt me now  
They ain't gonna break me down  
I ain't gonna let 'em kick me around  
No one's gonna take my crown  
Hey, nothin's gonna break me down

Nothin's gonna break me down  
No no no

Break me down  
No no no
