Well, I just got back from a lovely trip  
Along the Milky Way  
I stopped off at the North Pole  
To spend a holiday

I called on dear old Santa Claus  
To see what I could see  
He took me in his workshop  
And told his plans to me

So you better watch out, you better not cry  
You better not pout, I'm tellin' you why  
Santa Claus is coming to town

He's makin' a list and checkin' it twice  
Gonna find out who's naughty or nice  
Santa Claus is coming to town

He sees you when you're sleeping  
He knows when you're awake  
He knows if you've been bad or good  
So be good for goodness sake

Oh, you better watch out, you better not cry  
You better not pout, I'm tellin' you why  
Santa Claus is coming to town

Little tin horns, little toy drums  
Rudy-toot-toot and rummy tum tums  
Santa Claus is coming to town

Little toy dolls that cuddle and coo  
Elephants, boats and Kiddie cars too  
Santa Claus is coming to town

The kids in Girl and Boy Land  
Will have a jubilee  
They're gonna build a toy land  
All around the Christmas tree

Oh, you better watch out, you better not cry  
You better not pout, I'm tellin' you why

Santa Claus is coming, Santa Claus is coming  
Santa Claus is coming to town

Santa's coming, watch out  
So you better watch out, you better not cry  
You better not pout, I'm tellin' you why
