Billy was a small town loner  
Who never did dream  
Of ever leaving southern Arizona  
Or ever hearing wedding bells ring  
He never had a lot of luck with the ladies  
But he sure had a lot of good working skills  
Never cared about climbing any ladder  
He knew the way in a small cafe, found the will

He met Miss Bonnie  
And a little bit of her was a little too much  
A few movies and a few months latter  
The feeling got strong enough  
They didn't own a car  
So it must have been love  
That drove him uptown for a diamond  
That's when he started goin'

*[Chorus]*

Over the line  
Working overtime  
To give her things just to hear her say she don't  
deserve them  
But he loves her and he just kept going overboard  
Over the limit to afford to give her things he knew she  
wanted  
'Cause without her where would he be?  
See, it's not for him

She is his only need

Ring on her finger and one on the ladder  
A new promotion every now and then  
Bonnie worked until she couldn't tie her apron  
Then stayed at home and had the first of two children  
And my, how the time did fly  
The babies grew up and moved away  
Left 'em sitting on the front porch rocking  
And Billy watching Bonnie's hair turn gray

And ev'ry once in a while you could see him get up

And he'd head downtown  
'Cause he heard about something she wanted  
And it just had to be found  
Didn't matter how simple or how much  
It was love  
And, boy, ain't that love just something  
When it's strong enough to keep a man goin'

*[Repeat Chorus]*

Over the line  
Working overtime  
She is his only need  
His only need  
Overboard  
Over the limit  
Just for her  
She is his only need  
His only need
