VERSE; The past is past And what's past is dead But  
when I look Into my children's eyes The past is still alive  
And all the stuff That hurts inside Oh, THAT HURTS  
DEEP INSIDE CHORUS; When things go wrong And lies  
go on and on Especially, little ones don't see What side  
is right It affects their life The scares are deep THAT  
HURTS DEEP INSIDE THAT HURTS DEEP INSIDE VERSE;  
Want's gone is gone And you can't go back But when I  
see All the damage done I can't---I can't Understand  
why, oh why? THAT HURTS DEEP INSIDE THAT HURTS  
DEEP INSIDE CHORUS; Repeat BRIDGE; So, the air is  
never clean From the polluted lies That always come  
between From what was and is THAT HURTS DEEP  
INSIDE VERSE; It's been said Life didn't have To be that  
way It's ok mistakes Are made everyday Until you look  
Into your childrens eyes THAT HURTS DEEP INIDE  
CHORUS; Repeat
