VERSE; There are frames Within our perception But our inner being Only screams to be What is profound Oh, it's strange When most seems false From WHAT IS REAL CHORUS; There are many layers There are many winding curves But there's only one road To sweet surrender That will always lead us to WHAT IS REAL VERSE; Make an opening For light to flow It takes no effort Instincts to surrender That waves love There are no accidents That we experience Is WHAT IS REAL CHORUS; Repeat BRIDGE; There are countless measures Of many layers The real truth is within VERSE; countless roads exist Ther's only one path To the road to truth There's an ever changing Gust of wind The real struggle Is always within From WHAT IS REAL CHORUS; Repeat WHAT IS REAL WHAT IS REAL Oh, WHAT IS REAL
