I wanna walk  
To no particular destination  
I wanna talk  
When I got the inclination  
I wanna move  
When I got the locomotion  
I'm gonna do just what it takes  
To keep this smile on my face

I wanna drive my car  
Wherever they're driving faster  
I wanna sail the ship  
As long as I can be the master  
I wanna ride the rails  
On my own roller coaster  
I'm gonna do just what it takes  
To keep this smile on my face

*[Chorus]*

I was born to be this way  
Never save for a rainy day  
I just like to make it my own way  
I wanna be the first to say  
Don't wanna work real hard  
If it means that I ain't livin'  
Don't wanna go through life  
If there's no room for gettin'  
Don't wanna stand here long  
If it just means I'm a waiting  
I'm gonna do just what it takes  
To keep this smile on my face

*[Repeat Chorus]*

Don't wanna change my ways  
If there ain't no good reason  
Don't wanna change my mind  
Without any rhyme or reason  
Don't wanna be one way  
I got to change like a season  
I'm gonna do what it takes

To keep this smile on my face  
I'm gonna do what it takes  
To keep this smile on my face
