Judd music was music about love and inspiration  
And many of our songs reflected a much sweeter  
And simpler time  
This is, perhaps, one of my favorite all-time Judd songs  
That we ever recorded

She was sittin' cross legged on the hood of a Ford  
Filin' down her nails with an emery board  
Talking to her friends about people they knew  
And all of the things that young girls do

When she said, "You see that guy in the baseball cap  
I'd like to spend some time with a boy like that"  
Betty said, "I've see him at the hardware store  
I think his name is Billy, but I'm not sure"

As they talked a little while, he passed by  
She smiled at him, he just said, "Hi"  
But he was thinking to himself as he walked away  
"Man, I'd like to find a girl like her someday"

Young love, strong love, true love, it's a new love  
They're gonna make it through the hard times  
And walk those lines  
Yeah, these ties'll bind young love

Well, she just couldn't stop herself from thinkin' 'bout  
him  
And at a store downtown, she saw him again  
She had both hands full, he held open the door  
He said, "My name is Billy, I've seen you before

"Can I help you with these? Can I give you a ride?  
Can I take you out on Saturday night?"  
She didn't have to say what she was feeling inside  
He could see the answer, shinin' in her eyes

Young love, strong love, true love, it's a new love  
They're gonna make it through the hard times  
And walk those lines  
Yeah, these ties'll bind young love

Well, from that day on, you couldn't keep them apart  
They were side by side and heart to heart  
Mama cried as Billy slipped the ring on her hand  
And when the baby was born, she was cryin' again

Well, he worked real hard and put some money down  
On a little old house at the edge of town  
An' that night as he held her, he couldn't believe  
That God had made a girl that he'd never ever leave

Young love, strong love, true love, it's a new love  
They're gonna make it through the hard times  
And walk those lines  
Yeah, these ties'll bind young love

Well, she was sittin' cross legged on the hood of a Ford  
Filin' down her nails with an emery board

Thank you, thank you
