### "So Called Summer"

Headed to the weekend  
Make it out with my friends  
Sitting on a speaker  
Waiting for the lads to call

Flicking through the b-sides  
Picking out about five  
Mixing them in double time  
I'm bored out of my mind

It's not summer round mine  
It's not summer round mine

Chorus:

Tell me the last time it rained inside  
Colours of the streets fading night by night  
When will my summer ever come?  
When will my summer ever come?

Tell me the last time it rained inside  
Colours of the streets fading night by night  
When will my summer ever come?  
When will my summer ever come?

Floating round in August  
Smoking under porches  
Eyeing up a bouncer  
Drinking to forget the night

Trying on a wetsuit  
Dripping now I'm wet through  
Swimming in my living room  
Summer's been a waste of time

It's not summer round mine  
It's not summer round mine

Chorus

It's not summer

It's not summer  
It's not summer  
It's not summer

It's not summer round here  
It's not summer round here  
It's not summer round here  
It's not summer round here

Chorus

When will my summer come?
