When I was down
You were there for me
Said hold your head up
Right by my side
Don't know what I'd do without you
So let me return the favor boy
Lift your head up
You make me so proud

Chorus
Me and you against the world
So don't you worry
I'm forever your girl
Not for an hour, or a day
But forever

I'll love you until the end
I'll always be right here
Ain't nothing nobody can tell me
Not about you

I'm so blessed I've got you
You are a rare man
My lover and best friend

I'm forever yours
Not for an hour, or a day
But forever

My girlfriends whispered
not to be with you
But all the time
Behind my back
They were calling you
I knew better boy
Now look at us
Going strong
For a lifetime

Chorus
Me and you against the world

So don't you worry
I'm forever your girl

Not for an hour, or a day
But forever

Forever my dear
Until the end

I'll be right here
We'll get through it
Gonna triumph
Gonna win
Don't you worry
You're my baby
Boy I got you

Chorus
Me and you against the world
So don't you worry
I'm forever your girl
Not for an hour
Or a day
But forever

Repeat Chorus
Me and you against the world
So don't you worry
I'm forever your girl
Not for an hour
Or a day
But forever

Me and you against the world
