Hoooo hooooo hoo hoo hoo  
You're my obsession baby  
Can't get enough of you  
You're so good it can't be bad  
I'd rather spend time with you  
Than to do anything  
No place I'd rather be  
Than entangled with you

**Chorus**

Cause you know what to dooooo hoo hoo hoo  
You know what to do  
I was made for you  
So please don't stop  
Doing what you do to me  
I'm obsessed with you  
and it's just where  
I want to be  
You know what to do  
I was made for you

So please don't stop  
Doing what you do to me  
I'm obsessed with you  
and it's just where  
I want to be  
You make it hard to breathe  
You make it hard to breathe

My dreams are about you  
I curse my phone if it rings and it's not you  
When I lotion my legs I'm thinking of  
The nights we share and  
When I comb my hair it's your  
Hands I want there

Your hands are so perfect  
Your body so hard and smooth  
Your mind is so beautiful  
I lay in your arms all day  
And let you do what you do

Short or long  
Hard and strong or soft and gentle  
It doesn't matter to me

Chorus

I'm so obsessed with youooooo hoooo hoo

I'm so obsessed with youooooo hoooo hoo  
I'm obsessed with you

All day and all night  
Whenever you want me  
Just say so and I'll come running  
No matter where I am or  
What I may be doing  
I'm a happy participant  
In this obsession thing

You know what to do  
I was made for you  
So please don't stop  
Doing what you do to me  
I'm obsessed with you  
and it's just where  
I want to be  
You make it hard to breathe  
You make it hard to breathe  
You make it hard to breathe

I love you from head to toe  
Turned on when you're coming  
And even watching you going  
You do it for me  
I can hear my heart beating  
When you leave just hurry back  
I'll be here waiting  
In your arms is where I long

Can I make you something to eat  
Caress your head as I sing you to sleep  
I don't ask what you've done to me  
because it makes me so happy  
Just want to be in your arms  
All night long  
I'm so obsessed with youooooo hoooo hoo  
I'm so obsessed with youooooo hoooo hoo  
You know what to do  
I was made for you  
So please don't stop  
Doing what you do to me  
I'm obsessed with you

and it's just where  
I want to be  
You make it hard to breatheeeee eeeeeth  
You make it hard to breatheeeee eeeeeth  
You make it hard to breath
