Streets tonight, marvel at the sight  
Local bars, flashy cars  
Modern twenty-first century man  
All alone, grab my car phone  
Wait for the beep, and I'm glued to my seat  
I must say I'm not impressed  
Doesn't do much for me  
It's all a lie  
Doesn't do much for me  
God, how I try  
Doesn't do much for me  
My life is mine  
Doesn't do much for me  
Look what I've found, our world's goin' down  
Modern war, what's in store  
Come on, I'm not like that  
Corner offers, and I'd rather not bother  
Media agrees, sex is free  
It's not my way of life  
Culture shock, stop the clock  
Upper aids, razor blades  
It doesn't appeal here  
No life of sin, don't know where to begin  
I'm not bad, yet so sad  
Someone please point the way
