I know that you are so far away
but i remember yesterdays
and i just try to understand
but it dont make any sense

(Chorus)*
Changes
Its all that we got
Changes
Do you still want to fight ??
Changes
Its all we got

1, 2, 3 open your eyes again
we are together
we are together
1, 2, 3 close your eyes again
we are together
we are together

(Chorus)*
Do you still want to fight ?
If you dont want it
If you dont need it
Just let it go

You are far from home
You are far from everyone
(repeat 4 times)*
