I've been lost with no trace
Couldn't shake the image of your face
Since we touched I couldn't rest
Until I was in your arms again Like oh, oh, I'm losin'
control
And oh, oh, I think you should know, whoa
You should know you were all, all my life You are all my
life
You are all my life
You are all my life
You are all my life You are all my life
You are all my life
You are all my life
You are all my life I can't eat, I can't sleep
I can't dance 'til you're with me
'Cause you are all my life
You are all my life I'm at war with my heart
Boy, you had me trippin' from the start
Dim the lights 'til it's dark
All I want is to be in your arms Like oh, oh, I'm losin'
control
And oh, oh, I think you should know, whoa
You should know you were all, all my life You are all my
life
You are all my life
You are all my life
You are all my life You are all my life
You are all my life
You are all my life
You are all my life I can't eat, I can't sleep
I can't dance 'til you're with me
'Cause you are all my life
You are all my life In my eyes I see my life
In your arms, useful
You are all mine for all time
Never let me down I can't eat, I can't sleep
I can't dance 'til you're with me
'Cause you are all my life
You are all my life You are all my life
You are all my life
You are all my life
You are all my life You are all my life

You are all my life
You are all my life
You are all my life You are all my life
